

# Jigsaw: Family Contact Centre

Working together to keep families together

**Make a Referral**

We provide a safe, neutral, and supportive environment where children can sustain vital family relationships. Our child-centred approach prioritises stability, safety, and positive outcomes during the challenges of family breakdown.

We have Enhanced Accreditation, offering supervised, supported and handover family time.

**Rooted in the community for over 120 years, supporting families facing adversity.**

Over 90% of children said they felt safe at Jigsaw.

“I find them to be extremely caring people. They do an excellent job and often go the extra mile. I find the team extremely cooperative, professional, friendly and competent in what they do”
